## OBJECTIVE

Computer Science student with strong analytical skills, aspiring analyst with a focus on practical learning and real-world problem-solving.

## EDUCATION

<b>Vivekananda College of Engineering and Technology, Puttur</b> Bachelor Of Engineering, Computer Science	<i>Dec 2022 – Mar 2026</i> <b>CGPA: 8.16/10.0</b>
<b>Narendra Pre University College, Tenkila, Puttur</b> PUC (PCMCs)	<i>Jun 2020 – Mar 2022</i> <b>Percentage: 76.5</b>
<b>Shanmukha Deva High School Perlampady, Puttur</b> SSLC	<i>Jun 2017 – Mar 2020</i> <b>Percentage: 81.6</b>

## TECHNICAL SKILLS

<b>Programming</b>	Java, Python, C, C++, JavaScript, HTML, CSS, ReactJS
<b>Data Tools</b>	SQL, MS PowerPoint, MS Excel (Basics)
<b>Concepts</b>	Data Structures, OOPs, Basic Web Development
<b>Tools and Environments</b>	Git, GitHub, VS Code, Eclipse
<b>Learning</b>	Power BI, Data Visualization

## PROJECTS

- **G-Remind** *In Progress*  
Developed a smart reminder app that triggers notifications based on user proximity to relevant stores. Integrated Google Maps API for live store locations and Firebase for real-time sync and data storage. Designed to enhance daily shopping efficiency using location intelligence.  
Tools Used: React Native, Firebase, Git
- **CloudDesk** *Apr 2025*  
Built a task management and collaboration platform allowing users to create, assign, and track tasks with an intuitive UI. Implemented responsive front-end using ReactJS and deployed using Google Cloud services.  
Tools Used: ReactJS, HTML, CSS, Google Cloud
- **Rural Connect** *Dec 2024*  
Designed and developed a web platform to connect rural job seekers with employers, featuring real-time job posting, filtering by location and skills, and direct communication. Aimed at improving rural employment accessibility.  
Tools Used: JavaScript, HTML, CSS, Firebase

## CERTIFICATIONS AND ACHIEVEMENTS

Attended workshops on Postman API and AngularJS  
Participated in RPA (Robotic Process Automation) session  
Participated in multiple college-level coding competitions  
Participated in flagship inter-college hackathon: I2Connect  
Served as Student Council President (2nd PUC) and CR (3rd year) to coordinate the student affairs.  
Volunteered with Akanksha Charitable Trust to coach 8th standard students for the NMMS exam.
